

# SprayPro Mop Kit

Floor cleaning made easy –  
Just spray & mop!

## Just spray and mop

SprayPro is the professional, ready-to-use floor cleaning system containing all you need for bucket free mopping.

Just fill the handle with water (cleaning solution if required) and you have everything you need to clean hard flooring, skirtings and staircases in one easy-to-use unit.

## Fast and Compact

- Ideal wherever speed, ease of use and lack of storage space are issues.
- Always ready to use
- No time consuming wringing of mops or filling/emptying heavy buckets.
- The kit includes a 40cm MicroLite microfibre mop pad, measuring jug & colour coding labels

## MicroLite Microfibre Mop Pad

100% Microfibre mop for deep down cleaning of all hard floors.

- High cleaning performance without the need for aggressive chemicals
- Power zones for stubborn dirt removal
- Suitable for damp and wet floor cleaning.

## Cost savings:

Low cost-in use:

- reduced use of water and chemicals.
- soiled mops can be washed up to 150 times.

A mop pad specifically designed for cleaning rough/ safety flooring is also available (Safe Mop sold separately)

## Instructions for use

1. Attach a mop pad to the frame.
2. Fill the supplied jug, or your own bottle, with solution.
3. Open the cap, fill handle with solution, close cap until it 'clicks'.
4. Press the trigger to spray a desired amount of solution onto the floor in front of the mop frame.
5. Start mopping by passing the mop pad over the cleaning solution and mop in a figure of 8 motion working backwards.
6. If more solution is required – just press the trigger again.

PROFESSIONAL

Floor cleaning made easy –  
just spray & mop!

## Just spray and mop

SprayPro is the professional, ready-to-use floor cleaning system containing all you need for bucket free mopping.

Just fill the handle with water (& cleaning solution if required) and you have everything you need to clean hard flooring, skirtings and staircases in one easy-to-use unit.

## Fast and Compact

- Ideal wherever speed, ease of use and lack of storage space are issues.
- Always ready to use
- No time consuming wringing of mops or filling/emptying heavy buckets
- Dispose of soiled mop after use

## Swispo Disposable Mops

100% microfibre disposable mops that are colour coded to avoid cross contamination. The kit includes 5 red and 5 blue mops.

**Hygienic:** ultra fine fibres provide excellent removal and absorption of grease and dirt through capillary action. Dispose of the contaminated mop after use.

**Ergonomics:** Mop easily glides across the surface with little friction for less stress on body and arms.

## Cost savings:

Ideal for sites with no or limited access to laundry facilities  
Reduce usage of water and chemical.

## Instructions for use

1. Attach a mop pad to the velcro frame
2. Fill the supplied jug, or your own bottle, with solution
3. Open the cap, fill handle with solution, close cap until it 'clicks'
4. Press the trigger to spray a desired amount of solution onto the floor in front of the mop frame.
5. Start mopping by passing the mop pad over the cleaning solution and mop in a figure of 8 motion working backwards.
6. If more solution is required – just press the trigger again
