TECHNICAL SPECIFICATION

601+ DEGREASER

Versatile concentrated product which is efficient and quick acting at removing stubborn soiling from a wide range of surfaces including floors, walls, tiles, canopies and equipment. The product contains a blend of non-ionic and amphoteric surfactants, coupling solvents, alkalis, sequestering agents, anti-redepositioning agents, corrosion inhibitors and water soluble dyes.

Features include:

- Economical dilution rates - high active product guarantees efficient use,
- Suitable for use in kitchens and food preparation areas.
- Surfactants used biodegradable and phosphate free.
- Blend of non-caustic alkalis and surfactants ensures grease is broken down quickly and efficiently.
- Low foaming product suitable for use in floor scrubber machines.
- Solvents present help soften the soiling and dries surface quickly to leave it sparkling clean.
- Safe to use on abattoirs and kitchens.
- Suitable for use on all surfaces.

PROPERTIES:

Appearance @ 20°C
pH (neat)
Odour
Specific Gravity @ 20°C
Flammability

SPECIFICATION:

Clear, blue/ purple, non viscous liquid
14
Characteristic
1.030 +/- 0.005
Non-flammable

DIRECTIONS FOR USE:

- Dilution rates are dependant on the severity of soiling on the surface to be cleaned. Generally, for light duty cleaning, use at a concentration of 1:100 – 1:20. For heavy duty cleaning wipe, mop or spray neat product onto surface and clean.
- Floors: Dilute product as above and mop onto floor, or apply through rotary scrubbing machine.
- For all other surfaces, product may be sprayed, mopped or wiped onto the surface to be cleaned, then wipe off with a clean cloth.

STORAGE:

Store in original container and protect from extremes of temperature. Do not store or mix with acids. Do not store in direct sunlight nor allow the product to freeze. Shelf life (in unopened original container) is a minimum of 18 months.

SAFETY ADVICE:

Under the new GHS Standard this product is classified as Irritant. Please refer to section 2.2 of the Safety Data Sheet for more information.

PACK SIZES:

4X5L case (48 per pallet)

Order Code: HSC601P-4x5L
